**To all parents/guardians of players at the

As you are aware, the Junior and Senior clubs at the *Ferntree Gully Eagles* now has a combined new website at: www.ferntreegullyeagles.com.au

The website will be a major source of **information** as it will contain all Policy papers, historical documents, coaches' reports and notes, club news, and the weekly electronic newsletter.

It will also be a major source of **entertainment** as it will contain a footy tipping competition, links to other key sites such as the AFL and EFL, and photos of our teams and players in action during games.

One new initiative is to have **player profiles** on our home page. This could consist of a photo and answers to some standard and simple questions. To this end, we now seek your permission to post this information on the website. Could you please complete and sign the permission slip below and return it to your coach.
