Match Report:

A great day at Kilsyth, with 4 separate games. 3 games were lost, the last 2 only by 1 point each and a well fort win. All the boys played well and there was a clear improvement through the games with all boys listening to the instructions from both Hilly and myself. Looking forward to next week getting back to a proper match. Well done lads!

Jezza

Match Report:

A great day of footy at pinks reserve, with both u/9's teams combining for each game. A team of 18 players to take the field each game meant 10 or so players missed out every game, so it was difficult making sure everyone got a fair go. The first game was a little disappointing but we came back well winning one and losing the other 2 by a point each. It was a great day and the boys played really well. There were so many good players, that the awards were hard to pick. I picked awards for Jezza's boys and vice versa. Thank you to all the parents that helped out and a big thank you to Sally , great job .

-------------------	-----------------------	----	-------------------------

Match Report:

I had messages from boys who were unwell, a few boys looked sleepy, others arrived late, mouthguards were missing, it wasn't the best preparation so I was worried the boys wouldn't fire this week. **I think a new team rule will be pack your bag the night before the game and be in bed by 8:30pm!**

But BIG SAUCE screamed "Have no fear, I am here" and went on to play a fantastic game showing his aerial marking ability. LIAM was on fire, NICKO & TANK with his big don't argues dominated the centre clearances and kept pumping the ball to our forwards. Early on we couldn't kick goals but we had the ball in our forward 50 for the entire 1st quarter. X-MAN was under the packs, MACCA was leading hard, LUKE SMITH attacked the ball and DYLAN used his great kicking skills.

The 2nd quarter was much more even. We were against the breeze and our defence was under attack. KEG & JAYDEN were really strong up back and WHITEY'S kicking out was perfection. TONGUE MAN & JAKE were beating their man and giving us running options out of the backline.

At ½ time I called on the boys to go up a cog. THOMAS U got me the goal I was after and then JAZZY JARRON snapped a beauty from the boundary line. (clearly got his ability from his mother) The Vermont trainer attended to sore and sorry boys who were tackled by CRUSHER PETERS. Whilst I was happy that CRUSHER was tackling so hard I did feel sorry for the pain he inflicted on the opposition. (honest i did) JYE & BRODIE provided great run with their fresh legs and showed good skills.

No one had scored against the wind. I put it to our boys to show it could be done. DMAC gave us a strong target showing that he is a gun footballer. RORZA capped off a great game sprinting out of a pack to kick a team lifting goal, REEDY followed up shortly after reading the bounce hard in the packet and snapping a great goal and CRUSHER also kicked one on the run. 21 great players on the day!

Next Game:	Waverley Blues	at	Ferntree Gully
-------------------	----------------	----	----------------

Match Report:

Well what can I say after losing the toss and kicking against the wind the boys played some smart Footy and used the ball smartly and won the first quarter . With the wind in the second quarter and some players changes positions the boys won the second half and kept Lilydale scoreless . After the main break we gave the back line a chance up forward and they didn't let the team down kicking 5 goals in the last quarter . Great game boys but there is still plenty of hard work to be done at training . Special Thanks to Sam and his parents for driving to Coldstream and helping our U11D Team.

Presidents Medal:	Tristan Borg
--------------------------	--------------

Next Game:	Vermont Gold	at	Livingstone Primary School
-------------------	--------------	----	----------------------------

Match Report:

A tough match against a very strong team, Glen Waverley Rovers controlled the game from the outset and the Eagles spent much of the game chasing their opponents.

Even though we were unable to put scoreboard pressure on our opponents the boys tackling was still quite strong as was the centre square work by the midfield.

Much credit must be passed onto the likes of Tristan Borg, he had a tough match at full back for the whole game and battled it out in all 4 quarters, Riley Klibingatis and Tom Gasparonni ran hard out of the midfield for much of the game and never gave up, Nathan Hart with some strong ruck work and Aaron Williamson with a very good 2nd half once he was moved to centre half back.

Next Game:	Norwood purple	at	Mullum Reserve
-------------------	----------------	----	----------------

Match Report:

Today we didn't get off to a great start however we outscored the opposition in the next three quarters. Macca the captain ask me at quarter time to go in the back line and dominated. He controlled the back line and was instrumental in setting up the play. Thomas Kuhlmann kicked his first goal and harry was hard to stop. Haydo was giving us first use of the ball. I was encouraged by the way the boys moved the ball linking up handballs and hitting the leading targets. When you see the ball go all the way down our end without the opposition touching it its great to see.

Next Game:	Lilydale	at	Ferntree Gully
-------------------	----------	----	----------------

Match Report:

Today we tackled Norwood at home for the first time this season, with both teams coming out strong and applying a huge amount of ball pressure. Whilst we were able to take the first quarter honours (21 to 0), the game was still very much up for grabs and our boys needed to lift to another level.

In the second quarter the boys took control of the game by lifting the pace another notch with all players getting on top of their direct opponent and again outscoring Norwood (28 to 6) for the quarter and now leading by 43 points.

The third quarter saw our boys put the game out of reach for Norwood with continued relentless ball pressure and straight kicking, which extended our lead to 74 points.

The last quarter saw the flood gates open with a flurry of goals against a gallant undermanned opposition.

--------------------------	---------------

Next Game:	Wantirna South	at	FTG
-------------------	----------------	----	-----

Match Report:

This week we played Donvale at Donvale. We needed a win to kick start our season and I asked the boys for a fast start and that's exactly what I got. We jumped out of the block s well and by qtr time we had a 5 goal lead. The midfield was on top and we open the fwd line up which allowed us to score. We maintained our early advantage for the remainder of the day at one stage we got out to a 50 point lead. Donvale to there credit fought back in the last qtr but we held on to recoded our first win of the season against a highly regarded opponent. It was a sensational team effort and I think if we keep working hard at training this team has an exciting year ahead.

Match Report:

We hosted mooralbark at wally tew on Sunday.
 After a great week on the track the boys were able to continue the effort into Sunday.
 We gave the opposition a couple of easy goals early but that's where it ended. Great credit to our guys for lifting and putting enormous pressure on mooralbark for the remainder of the match.
 We spoke about 4 key points of our game that were missing last week and as our result shows we were much better in those areas , well done boys don't stop there we are only at about 60%.
 Better players , our entire back 6 were excellent with their handballing under pressure a highlight Jacob cooka tom and josh were good targets up forward
 Dougie dante luke jake and josh all worked hard on and around the ball with tyler winning most knockouts
 Keep working hard at training boys and take it into next week

Next Game:	Vs Vermont	at	Vermont Reserve
-------------------	------------	----	-----------------

Match Report:

The boys showed great endeavour for the whole game and never stopped trying. For the most part we were very competitive, however they broke as down at times, particularly late in quarters when our lack of bench showed through.

We won our fair share of contested ball, however skill errors combined with a lack of accountability through the middle and down back after turnovers hurt. In A grade, there isn't much room for error.

The boys third quarter was their best, losing the term by a goal.

There were some good performances on the day. Perry and Hayden won a lot of hard ball. James was a great target at centre half forward and Michael did the team things up forward. Jack played in the back pocket and contributed well. Brodie's run and carry stood out and Pat played a promising second half. Welcome back to the Gully for Jayden who with his first touch in his first game back for about 7 years kicked a goal.

Lets keep it simple for next week fellas. Run straight at the ball, always play in front, lead directly up the ground, support your team mates and TALK!!
