Match Report:

The boys got off to a great start on Sunday kicking four goals in the first quarter it was a great team effort. The backline held up strong with plenty of smothers and handballs. The boys are really starting to play as a team. I am extremely proud of you all there were so many great players and to see you guys improving every time you go out and play is fantastic!

Keep up the good work enjoy your footy and let's get ready to take on the Glen Waverly Rovers on Sunday at 10.30.

Well done boys

Con

PS I would also like to thank all the parents for their help at training and game days it really is appreciated

Match Report:

The Lightning Premiership was a great day for alot of our players. WE didn't win every game but I was really proud of our boys and how they represented their footy club.

I firmly believe we are the hardest tackling team in the entire competition. RORZA and CRUSHER were relentless and laid at least 15 tackles between them each game. TONGUE MAN had a ripping series playing his best ever footy and The KEG was super strong both in the midfield and up forward. "MONEYBAGS" Smith kicked a MAGNIFICENT goal which was loved by all, especially Mum & Dad!

CHOWMAN is close to the most skilful player in the competition, XMAN is a superstar and JAYDEN showed how good he can be when he runs and attacks the footy. "TEX" WALKER was on fire along with WILL - I - AM who passed the ball beautifully in the forward line. MACCA smashed the packs and TANK was very scarey!.

JAZZY took some great marks, NICKO fired up and went really hard chasing the footy and THOMAS U had it on a string. BRODIE & THOMAS B racked up around 100 supercoach points per game whilst HINDSY gave us everything trying to help his mates. DILLON played like a general across half back and DYLAN was just as good defending like a champion. BIG SAUCE got there for the last game and dominated helping us to a big win.

We didn't win the Premiership but the boys played like LEGENDS!

Match Report:

The boys from the first bounce played some great football out scoring Waverley. Their ball use was good at times with improvement still required and their tackle count was up, the pleasing thing was their effort in protecting their team mates with shepard's. The second half the boys continued on from their first half and played some smart football. Great work boys but it's early days with a lot of footy to play and with a lot of hard work to be done at training.

Well done to Adam for winning the Anzac Day Medal.

Ethan where all thinking of you and hope to see you back soon.

Match Report:

A much improved performance from the boys which started on Wednesday night at training and continued for most of the match on Sunday.

Pregame we spoke about the ANZAC medal which one player would be awarded in showing the ANZAC spirit, showing bravery on the field, protecting team mates and giving their all during the game.

We jumped out to an early 3 goal to 1 lead by quarter time, yet again as in round 1 the scoreboard did not show our dominance on the field, but it was an extremely pleasing effort with plenty of run, clean possession and great uses of shepherding.

The second quarter was similar to the first with the Eagles dominating possession but unable to show it on the scoreboard. By halftime we were up 4.2.26 to 2.1.13.

In third quarter was the most pleasing quarter of the season to date, we managed to pile on 3.1 to 0.1 with great ball movement and an increased use of the shepherd, a great example of this was Mitch Pendergast gathering the ball at half back and having a run to half forward with plenty of bounces in between, and Alex Peacock was shepherding him all the way. During the first 3 quarters the boys showed great attack on the ball, not waiting for it to arrive to them, highlighted by both Lachie Zealand and Tristan Borg out of the backline. At ¾ time the scores were FTG 7.3.45, VER 2.2.14.

I was expecting a big finish from the boys but a much improved effort from Vermont held us scoreless in the final quarter while they managed to double their score by kicking 2.2.14. Overall a pleasing performance, 17 points the margin.

A big congratulations to Alex Peacock who won the ANZAC medal, showing all the required qualities to win the award and having a standout match, gaining many possessions in both the midfield and forward line and kicking the opening goal of the match. Luke Varney and Jackson Vezey both earned a Presidents medal each, credit must go to both boys for playing outstanding games, they both easily played their best games of the season and were large reasons we were able to come out from the match with the 4 points.

Match Report:

ANZAC round, & the Eagles were up against the Falcons at Lilydale, a team we had a couple of really close encounters with last season. Skipper John Ryan won the toss & elected to kick with the breeze, however it was the Falcons who got off to a fast start, kicking the first 3 goals, which left the Eagles playing catch up for the rest of the day. At ¼ time it was FTG 0.0 to Lilydale 3.3. The 2nd ¼ saw a great lift in intensity, and with goals to Tim, Nathan, & Johnny H the Eagles had reduced the deficit at ½ time to 16pts, & the boys went in to the change rooms with a real sniff, 3.1 to 5.5. Coach Matt switched star defender John R into the middle for the 2nd ½, & this resulted in the Eagles finally winning the ball out of the centre, which created opportunities for those down the ground, allowing the Eagles forwards in Nathan, Brad, & James to boot majors. Other highlights included a fantastic tackle by Brad, some strong, tight defence from Corey, Michael & Lili, & some bone jarring attacks on the footy from Cooper. At ¾ time it was the Eagles 6.2 to the Falcons 7.7, & everyone was up & about for one last effort in the final ¼. The last ¼ was an epic, with Tim leading the way, hauling in some big marks, including a hanger. The Eagles hit the front, however with a further 4 lead changes it was just going to be a matter of who was in front when the final siren sounded. Unfortunately, it was Lilydale, by 4pts, which makes it 3 games in a row with the Falcons where the result was decided by 1 kick. A magnificent effort from Tim in the last ¼, kicking 4 goals, while the whole team put in a great effort, winning each of the last 3 ¼'s. Other notable efforts included ANZAC medallist John R, whose relentless attack at the football made him a worthy recipient of the honour, and Cooper who really inspires his team mates with his courage. Lili and Michael across ½ back also had solid games, Liam, who is growing in confidence and is really showing some good skills, while Jake & Brad kept running all day, driving the ball forward. There was also some clever work in the forward line from tip rats Johnny H & James, while Corey & Blake played tight defence on their opponents. This result, although a narrow loss, showed that the Eagles are a very competitive outfit in this grade, & the lift in confidence should have everyone looking forward to next week's game against Vermont. The effort & sportsmanship from both teams embodied the ANZAC spirit, and did all the parents & supporters proud. Well played Eagles!

Match Report:

Today we saw the boys take on Lilydale who came up from B grade last season. The game started very scrappy with Lilydale continually locking the ball into packs and restricting our boys in moving the ball around. Then half way through the first quarter our boys click into gear and took control of the game with clean possessions around the packs, spreading the ball wide and delivering into the forward line with ease. With a 57 to 0 lead at the end of the first quarter, the game seemed over.

The second quarter was a reflection of the first, starting slow with the ball continually being locked into the packs. Half way through the quarter we started getting clean possessions, moving the ball out of the packs and delivering into an open forward line which converted. Extending our lead at half time to 109 to 0, the game was now over.

Full credit to Lilydale who came out after half time to show they weren't done yet. They put up there best quarter effort without that being rewarded on the scoreboard.

The final quarter came and went quickly with our boys finishing the game off strongly, kicking 8 goals, 3 behinds = 51 to 0.

Well done boys.

Match Report:

The boys showed great endeavour for the whole game and never stopped trying. For the most part we were very competitive, however they broke as down at times, particularly late in quarters when our lack of bench showed through.

We won our fair share of contested ball, however skill errors combined with a lack of accountability through the middle and down back after turnovers hurt. In A grade, there isn't much room for error.

The boys third quarter was their best, losing the term by a goal.

There were some good performances on the day. Perry and Hayden won a lot of hard ball. James was a great target at centre half forward and Michael did the team things up forward. Jack played in the back pocket and contributed well. Brodie's run and carry stood out and Pat played a promising second half. Welcome back to the Gully for Jayden who with his first touch in his first game back for about 7 years kicked a goal.

Lets keep it simple for next week fellas. Run straight at the ball, always play in front, lead directly up the ground, support your team mates and TALK!!
