Match Report:

After a slow start , the boys really played well in the last 3 quarters . Some really good signs , with plenty of handball and smothering of the ball . Cayden gottlibson was fantastic kicking 3 goals and Tom Morrison , after being moved to the middle got plenty of ball. Blake Brammell got the ball plenty of times and played his best game so far this year and as usual Josh Zealand went in hard and spoiled well. There were plenty of good players and the boys really played as a team today and hopefully can keep improving each week. Good work boys.

Match Report:

Typical of Under 10 footy a few of our boys are inconsistent and didn't play as well as they can. I need to reinforce our team rule to pack your bag the night before the game and be in bed by 8:30pm! Too many boys informed me of late nights (and early mornings) and we played accordingly in the 1st half. I must be getting old if I'm going to bed before 10 year olds!

Mooroolbark were a fairly big side and set the pace from the outset. Our hard nuts in the middle tried hard with CHOWMAN playing really well and CRUSHER, SAUCE & RORZA smashing the opposition. HINDSY was on fire whilst JAYDEN URBAN was great showing he too can be a tackling king, however we didn't really have too many other contributors in the 1st half.

The 2nd half we were much better. THOMAS U fired up, KEG and JYE dominated out of the middle. WHITELEY, TONGUE MAN, XMAN, REEDY, BRODIE, DESILVA & JAZZY all started to get hold of the footy and SPECIAL K, MACCA, MONEYBAGS, BOBBY BRADY, TANK & WILL-I-AM beat their opponents and drove the ball into the forward line.

I don't care about the result but I am disappointed that we took a backward step against a team that I believe we easily have more ability. It shows that even at this age we have to be switched on and well prepared if we are going to play at our best.

Well done to the boys who helped out the under 11's I thought you all played well against the older boys.

Match Report:

They say you cannot win a game in two quarters but we did , kicking six goals in the first half with opposition kept goal less . After half time we became lazy and didn't play to the standards I expect with G.W.R stopping us from scoring. Boys be ready and switched on for a good night at training and plenty of hard work.

Special thanks to the three u/10s Rory Jai Declyn for helping out on Sunday

Match Report:

We travelled to Blackburn and unfortunately came out on the losing end. Blackburn started the match by kicking 3 goals to 1 in the first quarter which had a healthy breeze blowing that way. The boys fought hard in the 2nd quarter and managed to go into ½ time up by 1 point, 2.7 to 3.0. Kicking against the wind in the 3rd quarter we managed 1.1 to 1 goal, going into the final quarter with a 2 point advantage. In the last quarter we maintained a slight lead until the final 90 seconds when Blackburn was awarded a free kick directly in front of goal and managed to slot it through and held on for a 2 point win.

We had a few positives that we could take away from the game, we managed to hold our opponents to 6 scoring shots, we managed 14 shots on goal but with the bounce of the ball not going our way with 3 shots hitting the post we were unable to put a winning score on the board. Plenty of hard work in the weeks ahead at training and I'm sure we will be able to post much greater scores and make the most of our scoring opportunities.

Congratulations must go to Jay Wagner for being awarded the Presidents Medal in round 4, Jay played a great game switching between Centre half back and Centre half forward with a stint in the ruck, grabbing plenty of marks and having many effective disposals of the footy.

Match Report:

Today we played home. The boys got off to a slow start, but at Windermere Reserve, the boys were struggling to get a goal on the board but they fought hard, unfortunately only managing one goal for the game to the opposition's two goals. North Ringwood was well drilled and we have a lot to work on at training. Bring on next Week.

We Kicked our best score for the season. Macca Kicked 4 goals and Dan kicked his first. Harry played a lot of the game on the ball and did a fantastic job. Ethan White was as tough as ever. It is pleasing to see all the hard work that we do at training is happening in the games. Keep up the good work boys.

Match Report:

We played away against Waverley blues
 Another slow start saw Waverley kick the first 3 goals
 Our boys then clicked into gear and started to get into the game fighting back through the last half of the first quarter and through the second.
 With our midfield getting on top we dominated the play through the third quarter but couldn't seem to put it on the scoreboard.
 Unfortunately they hurt us on the rebound running in numbers and undoing all our hard work far too easily.
 Going forward we need to be more responsible for our actions and how it effects the ultimate result.
 Congratulations to the boys for really putting in on the track during the week in what was probably the hardest sessions they have had ,with not one complaint.
 Boys as we get further into the season we need to trust our fitness and simply outrun the opposition as we are not getting the results we deserve at this stage.
 Get to training keep working hard and the results will look after themselves
