Match Report:

The Boys played a very strong Lysterfield side on Sunday a lot of second year players in the team. Regardless they went out there and played really well plenty of enthusiasm and they never stopped trying. Once again some outstanding passages of play the boys are thinking a lot more about there disposals and lots of smothering and chasing which is great to see. There overall improvement from the start of the year has been amazing I am so proud of each and every one of you. I have thoroughly enjoyed my first year of coaching and I couldn't ask for a better bunch of kids to be teamed up with.

Look forward to seeing you all at presentation day

-------------------	------------------	----	------

Match Report:

I got reinstated to the job this week and after the match I found out why.....thanks to Craig, Tim, Ant & Kylie for trying to turn me into a human pancake!

The boys came out flying this week and showed how much they had improved throughout the year. We measured their fitness on Tuesday night and 90% of the boys smashed their time trial from earlier in the season. The run and carry from the boys and toughness at the contest was unmatched by any other team in 2013.

To say the boys played well would be an understatement. It was great to see how well each boy played and to turn around the earlier result by 7 goals and keep the opposition scoreless was a fantastic effort.

The 3 captains all played great games, Chowman is so skilful and evasive whilst Crusher and Tuffman are so good at winning contested footy they put Sam Mitchell to shame. I'd hate to be on the end of their bumps or tackles. Sauce was the best ruckman in the competition all year and Thomas U and Jyeza showed their great pace and ball winning ability. They both also love a goal.

Hi Ho played a ripping game with a great goal and Tex is an absolute little champion. Nicko is such a great team player and his defensive skills are unmatched. Tonguey has a red hot crack whilst the Keg is unstoppable once he gets into a gallop.

Xman dives into the packs and loves a contest whilst Moneybags is one of our best defenders. Whitey has got better every game along with Reedy who will develop into a great running player. Big Keith Urban really stepped up in the later stages of the year showing great improvement and Jazzy has a huge kick that will score many goals in the future.

Jacko took a heap of marks showing his skills, Tank has the best don't argue in the league, Macca is the happiest player I've ever seen and Whiskers is improving all the time, in fact great years were had by all the 1st year players. Deklan has massive potential and has loads of ability and QB is one of our most skilful players who reads the play really well.

This team is fantastic to be involved in due to the great support I receive week in and week out. Kylie & Ant have been unbelievable in organising everything for this team and have been great supporters of the clubs social nights and various committees. Sami too has been a great help and combined the 3 girls are awesome. Tash the water girl has been a great help too. The boys who have helped me immensely in Tim, Brad & Craig, your assistance has been greatly appreciated by me and the players have also enjoyed you being key figures on match days and at training. A big thanks also to all the partners for allowing these guys and girls to spend so much of their free time doing footy stuff.

A big thanks also to all the parents who performed duties each week especially David Harris for his generous support and Shamaal & Jill DeSilva for supplying the oranges each week.

Last but no least thanks to my awesome wife Cassie who is a great support and allowed me to spend a lot of time involved in this team and the footy club in general.

Thanks again, see you all next year.

Next Game:	Knox	at	Forest Hill Reserve
-------------------	------	----	---------------------

Match Report:

In the final home and away game of the season we hosted Glen Waverley Rovers who were on top of the ladder and had beat us by 10 goals back in round 2. While we didn't win the match, the boys were very impressive in holding the Rovers to only 3 goals for the game, 1 of them coming within the final 5 seconds of the 1st half and another in the final 30 seconds of the 3rd quarter.

There were many positives to take out of the match, yet again the backline held strong only allowing 3 goals from a team that has kicked 10-11 goals on average during the season, a greater desire towards the ball and a belief that they can match it with anyone in the competition.

A big thank you to Michael and Trent from the FTG seniors who came down and helped the boys warm up and had a chat before the game to which the boys responded really well to and to the u11B side who had a bye but came down to support us and gave us plenty of cheer from the sidelines.

Well done to the boys, they have had a great 1st season of competitive football managing a 10 win, 4 loss season and qualifying for the finals. Early in the season we spoke about team, Together Everyone Achieves More, and the boys lived up to it during the season, having great numbers at every training session no matter the weather to the 1%ers applied on match day. The team highlights being a 7 match win streak after a 2-2 start, the great renditions of the club song after matches and the joy provided to the parents/ family/ friends on the sidelines.

Looking forward to the boys first finals match this Sunday against Knox in the elimination final, hopefully they can put together a great performance and build another winning streak, GO U11C EAGLES

Match Report:

Out Last game for the season was played away at Central Reserve, Glen Waverly. The boys took a while to adjust to the conditions - very strong wind and freezing temp, and managed to be competitive up to half time. In the second half the opposition got the better of us managing to kick a couple against the wind. The boys played well and enjoyed their last game together. They have had a great season and we have seen great improvements in all areas of each players game.

Match Report:

This week we played East Ringwood at Windermere and we came to play. All through the year we have played patches of great football and this week we put it all together and came out with a 21 point win. All season we pride ourselves on being the hardest tackling team in the comp and our relentless pressure forst the opp to make mistakes witch we gained from. Our ball movement was excellent. Macca was unstoppable at CHF and spuzz and zac were a force up forward. Haydos skills around the stoppages was great. Mitch and Brock controlled the wings and Dan ran tirelessly all day. Great game from the whole team. After a tough season it was great for the boys to get a win on the last game. Well done to all the players. Hope to see you all again next season.

----------------------	---

Injuries	Nil
-----------------	-----

Presidents Medal:	Nil
--------------------------	-----

Next Game:	Rowville	at	TBA
-------------------	----------	----	-----

Match Report:

What a way to finish the home and away season, with 2nd verse 3rd. Rowville won the toss and decided to kick into the strong wind which could prove to a telling factor at the end of the game. From the first bounce you could see both teams had come to play footy with strong tackling and ball pressure from both sides. Similar to the last time these 2 teams played, FTG wasted the goal scoring opportunities with inaccurate goal kicking from set shots – 2 goals 4 behinds to Rowville 1 behind.

With the second quarter underway, it was our challenge to restrict Rowville's use of the wind and retain the lead we had a quarter-time. The ball pressure was excellent from our boys as they chipped their way forward to score 2 goals into the wind. Unfortunately late in the quarter we dropped the ball pressure and allowed Rowville to score 2 easy late goals which reduced our half time lead to only 2 points – FTG 4 goals 4 behinds to Rowville 4 goals 2 behinds.

The 3rd quarter was our opportunity to increase the lead and put the game out of Rowville's reach, with the aid of the wind and clean possession. However again we made the opportunities but were inaccurate in front of goals, kicking 1 goal 3 behinds to Rowville 2 straight goals. Rowville had taken the lead into the last quarter by 1 point.

The game was there to be won by the team who had the greatest desire for victory. I was extremely proud of the boys' attack at the ball throughout the whole of the last quarter, with the ball moving up and down the ground many times without either side scoring. Unfortunately our boys went down by 3 points, scoring 2 goals 1 behind to Rowville 2 goals 3 behinds in the last quarter.

There was a lot of positives to take from the game into the finals, and I look forward to next week's rematch which will have a different result – watch this space because here come the EAGLES.

Next Game:	That's all folks!
-------------------	-------------------

Match Report:

Heights Reserve was in surprisingly good condition, with a slight wind favouring the southern end.

The boys were pumped for a big game as it was their last game of junior footy.

We surprised the Barkers from the outset with our intensity. We dominated the first quarter, winning a high percentage of clearances and contested ball. They were efficient when they went forward however and went into quarter time a goal up.

In the second quarter, their run and spread troubled us as it has done all year. We fought hard in the back half for most of the quarter however luck did not appear to be on our side. They kicked a 50 metre goal after the siren to be up by 4 goals.

To that point they had kicked six, which comprised of three free kicks, a dodgy kick out (sorry Knoopsy), the 50 metre goal as mentioned and the best goal I have seen in junior footy – 20 metres out on the boundary under pressure on his wrong side and it never looked like missing.

We had the run of play in the third quarter to the scoring end. Perry took three grabs at CHF but couldn't convert and Eccy took a great pack mark right in front only for it to be awarded to the player in front that may have touched the ball with two fingernails. Never mind. Even though we won the quarter we didn't take our chances in the forward half. They continued to have the rub of the green in front of goals, with a soccer off the ground from the point post somehow going through.

We threw the kitchen sink at the Mustangs in the last, but couldn't quite get the run-on we needed. The boys did themselves, their folks and the Club proud.
