Next Game:	Chirnside Park	at	Home
-------------------	----------------	----	------

Match Report:

We played a good side today, but all our boys put in a great effort with being hard at the ball, and sticking to their opponent in defence. Joels toughness shone through with Charie and Will playing good games also. Nicks first game for the club was great. Brodie back into the side was fantastic!!!!!! Keep up the good work lads and your efforts will be rewarded.
 Jezza.

-------------------	-------------	----	------

Match Report:

Match Report: Fantastic game of football, with both sides kicking goals. Conner was again everywhere, taking an amazing 1 hand grab as well. Cam Hill had it 18 times and his pack marking was pretty special. Josh was as usual hard at, he is fearless and I love the way he plays. Blake played in the ruck for 2 quarters and never lost a tap out. Will had plenty of it and uses the ball well. Dylan kicked 2 goals and Kahu in his first game with the club kicked a goal and played well. Jackson and Brock also played their first games and did well. Great effort boys and see you next week. Thank you to all my helpers and Sally you are a gun

--------------------------	-------

Next Game:	Chirnside Park	at	Kimberley Drive Reserve, Chirnside Park
-------------------	----------------	----	---

Match Report:

The Basin had touched us up in a practice match earlier this year and then went on to win the Lightning Premiership so I knew we would be in for a hard fought contest. Missing some of our top players in Keg, Moneybags, Hindsy, Tex Walker & Jacko I needed every boy to step up and play a great game.

The attitude of the boys was fantastic from the 1st bounce. We won the clearances and controlled play for much of the game. Once we learn to spread in the forward line and provide options we will kick a lot more goals.

XMAN was trying to take species, TONGUE MAN was smothering the ball showing how tough he is and big KEITH URBAN was smashing packs. Our midfield again dominated. CRUSHER & RORZA were tackling hard, SAUCE was unstoppable, CHOWMAN was sliding through packs like Cyril Rioli and the TWO THOMAS's were showing their silky skills and great running games. WHITEY was leading hard up forward, WISEY was smashing packs and SPECIAL K was going in hard for the ball making his mother proud on Mothers Day. WILL –I – AM was showing his strength over the ball, REEDY used his pace, HI HO DESILVA read the play beautifully and TANK showed great aggression at the ball and looked after his team mates. MACCA was like glue on his opponent, JYE gave us a great spark in the forward line, and JAZZY was leaping over packs, selling candy and kicking goals.

The match got fairly willing as The Basin like many teams didn't like our hard tackling. We must always ensure that we focus on the ball even when other teams show frustration and start to push and shove us around. I loved it when CHOWMAN tackled someone, who retaliated with aggression and CHOWMAN just smiled at him exactly as I had instructed the boys. Great Leadership.

Ferntree Gully	vs	Nth Ringwood
----------------	----	--------------

Score:		Goals	Behinds	Total
	Ferntree Gully	7	13	55
	Nth Ringwood	1		6

Best Players:	Adam Zach Thomas Max Joshua
----------------------	-----------------------------

Goal Kickers:	Woodford 3 one each to Connolly Goyne Brasher Carlin
----------------------	--

Injuries	
-----------------	--

Presidents Medal:	Zach Carlin
--------------------------	-------------

Next Game:	Boronia	at	Home
-------------------	---------	----	------

Match Report:

The first quarter was very tight with Nth Ringwood keeping us to one point but the boys worked really hard to only let them kick one goal with a strong wind blowing their way. Second quarter we had the wind and used it well with great use of the ball kicking four goals and keeping Nth Ringwood scoreless. The wind was very strong and our backline worked very hard to keep Nth Ringwood from adding to their score. Fourth quarter saw our boys go on and kick 3 goals and 6 points and win the game comfortable. This week will be a massive test against Boronia , but with some hard work at training this week we will give it our best.

Next Game:	Upper FTG	at	Dobson Park
-------------------	-----------	----	-------------

Match Report:

A wonderful 4 quarter performance from the boys this week, it really shows when they put in a good performance on the training track it reflects on match day. From the first bounce the boys showed great attack towards the football and provided time for their team mates with countless shepherds and hip and shoulders.

We started the game with quite a few of the boys in different positions than they have usually lined up in so far this season and those players provided the spark to get off to a strong start. The Eagles had plenty of run, made smart decisions with the football and went into the ¼ time break with a 1 goal lead, 3.2.20 to 2.2.14.

Kicking against the wind in the 2nd quarter we managed 2 goals to 1, to push the ½ time margin out to 12 points, the boys making the most of their opportunities in front of goal and strong play in the backline restricting the Blues scoring opportunities.

After the ½ time break the Eagles came out hard again, yet again managing a 2 to 1 goal quarter to push the margin out to 17 points at ¾ time.

The Blues gave their all in the final quarter kicking an early goal but the Eagles were able to get one back quickly and then control the final 10 minutes to run out 14 point winners. The boys gave 2 great renditions of the club song post match and great joy to the family and friends in attendance at the game.

There were many pleasing aspects to the Eagles performance today, the boys made the most of the opportunities that were presented to them, they worked extremely hard for each other, providing many, many shepherds and bumps, the talk on the ground was greatly improved from previous weeks and they had great attack towards the football.

While it was extremely hard to pick just a few boys in the best players as the whole team performed extremely well, captain Billy Krieger had a standout game, he managed to kick 2 important goals and gained many possessions all around the ground, having a great desire for the football and led by

Coaches reports to be email to gail.eaglesifc@bigpond.com by close of business Wednesday.

example in a hard fought win.

Looking forward to next week against Upper Gully, hopefully we can match the 4 quarter performance we showed this week,

GO EAGLES.

Next Game:	Kilsyth	at	Home
-------------------	---------	----	------

Match Report:

Today we played The Basin at Batterham Reserve, the boys were fired up and ready to go and hit the group running with a very focussed first quarter. It was a very even game throughout with both teams matching each other goal for goal until the last quarter. Even though we were out matched with height and speed the boys never gave up and continued to run, tackle and go up for the contested marks. The boys still need to focus on looking out for their team mates and continuing to shepherd and try and make the most of opportunities close to goal. A few things to concentrate on at training, but looking forward to a win at home against Kilsyth. Go Gold.

Harry McAleese and Robbie McCombe

Next Game:	St Simons	at	Liberty Reserve
-------------------	-----------	----	-----------------

Match Report:

This week we got off to a good start kicking 2 goals in the first. The next three quarters. We have played better. Zac was thrown the challenge of playing on the ball and did a great job. Josh played a lot in defence this week and snuck up to kick goal. Brock and Gus work well together in the forward pockets. We ran out of run in the end and Lysterfield got away from us.

Match Report:

Fronting up against the star studded, undefeated top side in Lysterfield, on their own dung hill, was always going to be a tough ask. Without inspirational skipper John Ryan, who broke his arm filling in for the under 14's last week, & Nathan, who was crook, was going to make it even tougher. These are the times when those who are willing stand up and show what they are made of. The opening contests were keenly contested, however the Wolves, with better ball use got on top, and with the aid of the breeze, posted 4.7 to 0.1 by ¼ time. Jake Harper was everywhere, running hard & looking for team mates, while the back line, led by Corey & Buddy, were doing their best to hold back the tide. In the 2nd ¼ the undermanned Eagles continued to give their best, trying to put into play what they had been working on at training. Tim was, once again, proving very hard to stop in the middle, and provided a highlight with a great dash that resulted in a long raking goal to give the Eagles a lift. Some minor injuries started to take their toll, & with only one on the bench some of the guys stayed on the ground playing sore. At ½ time it was the Wolves 7.16 to the Eagles 1.2. After a pep talk from coach Matt, & some positional changes at ½ time, the Eagles came out determined for the 2nd ½. However, it was Lysterfield who quickly gained the ascendancy, & with the aid of the strong breeze, peppered the goals. The backline were continually under pressure & constantly outnumbered because of the Wolves players being more prepared to run & support, while the Eagles skill level was letting them down. Brad & Lili were doing their best work trying to drive the ball forward, Cooper & Bailey kept boring into the packs, but it was left to too few. The Eagles best passage of teamwork for the day ended up in a strong mark to Corey in the forward pocket, who went back & kicked truly, while at the other end the Wolves booted 6, with our backline rushing through a number of behinds. Well done to Liam, Buddy, & Nick M, who battled hard under pressure. ¾ time & it was the Wolves 13.27 to the Eagles 2.2. Matt implored the guys to not throw in the towel in the last, as the score had the potential to get really ugly, and the Eagles responded with their best defensive effort for the game, holding Lysterfield to 3.4 for the ¼. The Eagles strung together some good passages of play, with Johnny, Jacko, & Liam combining well, the tireless Jake picking up kicks and following up to help team mates downfield, and the reliable Michael and Riley pushing themselves to contests. All in all a tough game, against the competition yardstick, whose skill level, teamwork, running ability, & tackling were a cut above the Eagles. We all need to work on our tackling, which has been

Coaches reports to be email to gail.eaglesifc@bigpond.com by close of business Wednesday.

poor, our kicking to advantage and general disposal, and our preparedness to run & find that little bit extra from within when the chips are down. Final score was Lysterfield 16.31 to Ferntree Gully 2.4. Next week is the Grand Final rematch against Heathmont. Only a five star effort from everybody will do, against what is sure to be a fired up opposition.

Go Eagles!

Next Game:	vs Knox	at	Knox Gardens
-------------------	---------	----	--------------

Match Report:

We played our first game on the new Wally Tew # 2 and what an improvement. Congratulations to all those involved.

We were up against top of the table Lilydale.

The boys busted their gut for the whole game and never stopped trying. For the most part we were very competitive; however they broke us down at times, particularly in the second and last quarters.

Our first quarter was really promising, coming into the huddle a goal down. We played credibly for long patches of the game, however, lapses at critical times in the game saw them pile on the goals quickly.

We won our fair share of contested ball, particularly in the middle, but lacked a defensive mindset when they had it, which put our backs under immense pressure.

We got plenty of positives out of the game though. It was our highest score for the season. Big Yaz had his first game back after recovering from a groin / hammy and showed plenty. Mark played a really good game and Pat Turner dominated the ruck.

Even though the score didn't show it, some of the folks felt it was our best game for the season. Lets keep improving.
