Match Report:

Another good game of footy from the boys . Starting to team well together , with good use of the handball today , which set up some nice goals . Good to see Brock and Jackson get some touches and hopefully a bit of confidence . Trea kicked 2 goals today and played well ,Blake took a nice mark In front of goals and kicked truly for his first goal for the club , conner did his usual tough work and Luke stripped the ball off the opposition a number of times and ran and kicked long . Riley had a good second half and Kahu had a brilliant game with lots of touches . Great Game guys .

Match Report:

I thought our boys had a crack today and again we controlled play for much of the game. Our midfielders were super competitive winning a lot of the congested footy but we failed to spread and have the outside runners able to run the ball.

When we did run hard into space we looked fantastic. Some of our passages of play were high quality so I know we have the talent and ability to play good footy. We didn't get the desired scoreboard result but there are lots of positives that we can take from the game.

REEDY won heaps of the footy and used elite handball skills, JYE ran hard and took a speccy, TONGUEMAN went hard at the pill, DEKLAN rucked like Dean Cox, KEG was a bulldozer, TANK was giving the "don't argues", QB showed great kicking skills, Thomas U had 88 kicks, TEX was on fire, CRUSHER crushed everyone, SPECIAL K had the ball on a string, WISEY tackled hard, MACCA flew high, WILL I AM was under the packs, JACKO lead hard for the ball, JAZZY was a superstar, RORZA was tough but kicked too many barrels, CHOWMAN was a gun, HI HO DESILVA read the play beautifully taking heaps of marks, MONEYBAGS tackled like a champion, XMAN almost kicked it 50 metres, WHITEY was a great kick and KEITH URBAN was strong around the packs.

We'll continue to improve as the year goes on and I'll look to develop each players skills. Keep your heads up boys!

Match Report:

Today the boys played Mitcham away from home. They got off to a cracking start and put the first score on the board. The boys lead going into the half time break, but unfortunately were unable to hold off a strong opposition. By the end of the games our boys had given it all and despite being beaten we're able to walk off knowing they had given it all. We are looking to the challenge of playing the top team- South Croydon on our home ground.

Match Report:

Another round with a very similar result, the backline was able to hold the opposition to only 5 scoring shots for the match with Blackburn kicking 3 goals, 2 behinds and the Eagles managing 17 scoring shots, unfortunately kicking 4 goals, 13 behinds.

The Eagles started the match very strongly kicking 3.5.23 to 1.1.7 in the first quarter in what was the strongest start to a match this season, but unfortunately the boys only managed to kick 0.2 to 1.1 in the 2nd and 0.1 to 1.0 in the 3rd to have us up 3.8.26 to 3.2.20 at ¾ time.

The final quarter was one that the boys needed to lift and that's what they did, holding Blackburn scoreless and keeping the ball in our forward ½ for the majority of the quarter managing 1.5.11 to finally run out 17 point winners.

What was pleasing to see was the tightness of the backline yet again, even after we lost our CHB Jay Wagner in the first ¼ with a hand injury, only coming back on for the final 3 minutes of the game. The boys down back are playing great team orientated disciplined football, holding the opposition to low scores, giving us the best chances to get the 4 points each week. The sooner we can get the kicking boots on and start slotting through the goals it will relieve the pressure placed on the backline.

A big thanks to Dillon Reed and Lucas Batey for stepping up from the u10s and giving us numbers on the bench at the start of the game, with early injuries they came onto the ground and did the jobs required of them both up forward and down back.

A big congratulations to Seth Gysberts for kicking his first goal for the Eagles, and to Thomas Gasparroni for winning the presidents medal for round 7. Tom has worked tirelessly all season, constantly in and under the pack fighting for possession of the ball. A reward for a great game and a consistent season.

Next Game:	vs Norwood	at	Mullum Reserve
-------------------	------------	----	----------------

Match Report:

We fronted up against Mooroolbark and went in with high hopes of a very competitive result. The first quarter was reasonably even, however, The Barkers more accurate kicking game had them in front by a couple of goals at quarter time.

The boy's intensity dropped away to a degree early in the second quarter and we struggled to match Mooroolbark's run, spread and carry, as we have done all year. They piled on some early goals. We tightened up in the last ten minutes and were 6 goals down at the half. At times we lacked pressure through the middle of the ground and for the first time in a few games, started to play from behind, which never works.

Despite a big rev at half time from JT, the third quarter was disappointing, with Mooroolbark's kicking skills on show. They couldn't miss at goal and kicked quite a few difficult ones.

To the boys great credit, they picked themselves up off the deck, dusted themselves off and played some really good footy in the last quarter. We won our first quarter for the year, which was an important achievement.

Perry was shifted into the backline and provided some drive. We scored on a number of occasions from some fluid ball movement from full back, playing on when we could and kicking long to a leading target. We played in front at all times and it paid off.

James played at full back all day and was great all day, whether marking, punching or kicking. Mark played another consistent game and Brodie, Nick and Cam never stopped all day. The boys gave it everything.
