Match Report:

After dominating the first half of the game , we fell away in the second half and they ran over the top of us . We had more shots on goal and I think were a better team but things just didn't go our way in the second half . They were maybe a little more hungry and were prepared to get dirty . Will and Riley were fantastic today , along with trae and Kahu ,Josh , Conner and Dylan tried hard all day . Well done to Trae , Corey , Conner and Cameron , playing in the u/11's today and all played well . See you next week boys .

Match Report:

After being stood down by the under 10 management team, Craig & Tim took charge of the coaching for this game. They did a great job and it allowed me to watch the game with a different perspective. It was great to see the various strengths and areas that have developed with each boy;

- XMAN – Goes in hard for a little guy and is a great team player
- TEX – Speedy little guy with great evasive skills
- MONEYBAGS – Tight hard backman who now attacks the footy and shows courage
- WHITEY – Quiet young fella with great kicking skills
- TONGUEMAN – Could be a gun if he gets fitter. Finds the footy and good defender
- JACKO – Unbelievable foot skills who will develop as others develop around him
- QB – Great kick and mark who is a very smart forward
- CHOWMAN – Evasive onballer with great skills who leads by example
- HI HO – Learning every week a great reader of the play and good skills
- TANK – Love watching the TANK take on his opponents with no fear
- MACCA – A great attitude who is always willing to help his buddies
- THOMAS U – Silky skills who is a gun with the footy in his hands

Coaches reports to be email to gail.eaglesjfc@bigpond.com by close of business Wednesday.

WHISKERS – Gets better every week and has a big left foot kick

WISEY – Listens and learns and is becoming a great utility

NICKO – Hard tough backman who plays tight and takes no prisoners

KEITH – Getting more footy every week as he realises he’s a strong unit

REEDY – The running man he is a strong defender

JYEZA – Runs hard and provides great link up all over the ground

RORZA – Fearless at the contest he is always under the packs leading the way

JAZZY – Loves his snapshots the smiling assassin will always hit his target

DEKLAN – Runs hard all day, a strong boy who has great skills

CRUSHER – Great mark, strong tackler, great footballer and leader

KEG – Unstoppable strong man who loves a goal

BIG SAUCE – Magnificent mark and very strong player in the ruck and across the oval

We have 1 game to go against Waverley Blues who beat us earlier in the year. Time to show how good we are boys and finish off the season playing our link up footy and kick some goals!

Match Report:

Playing away at St Simons the boys got to wear the old Knox Eagles jumpers for the first time and really seemed to enjoy wearing the 'clash' jumpers for the first time.

With a strong wind blowing St Simons used it to their advantage in the first quarter kicking 4.2.26 to 2.0.12, it was the highest score kicked in a quarter against us for the year so far.

The ¼ time break seemed to regroup the boys and we then managed to hold St Simons scoreless in the 2nd Q while we kicked 3.2 and went into the ½ with a 5.2.32 to 4.2.26 lead.

The 3rdQ was just as tough as the first with the wind picking up but the Eagles backline held strong and only allowed 5 points for the quarter, while we only managed 2 points both scores were very close to goals with one hitting the post from a snap shot and the 2nd rushed over the line in desperation.

Going into the final Q we held a 3 point lead and with the strong wind I was expecting a strong finishing Eagles team, but a great defensive effort by St Simons only held us to 1.1 for the final quarter with Lachie Zealand kicking the decider late in the quarter and our backline yet again holding their opponents scoreless into the breeze, the Eagles holding on for a 10 point win.

It was great to see an inspired Aaron Williamson up forward kicking 2 goals in the first half after he won an award at training for a great goal kicking drill and to have Jacob Bourke-Doggett back after being away on holidays last match and also managing 2 first half goals as well.

A big congratulations to Ryan Smith for winning the round 13 presidents medal, Ryan has made great improvement in his football in the last month off the half back line, constantly providing a contest in marking situations and providing great rebound back into the midfield.

Match Report:

The boys had their home game at Fairpark Reserve against the number two side in the competition. After last weeks' win the boys were confident that could match Lysterfield and be competitive. The boys had to play three players short in the first quarter but stuck to the game plan and didn't let the opposition take too much advantage of having the breeze in the first. By half time the boys were up with the help of some of our under nine players. We managed to keep Lysterfield scoreless in the third and only lost it in the last quarter. The boys were able to come of holding their heads high as they showed that they have the skills and endeavour to match it with the best. Looking forward to ending the season on a high with a win against Glen Waverly. Go Eagles.

Match Report:

Going into today's match against Heathmont with only 17 players, was going to challenge us. Heathmont started the game with there tails up and with the aid of a breeze established a small lead at quarter time - 16 points to 12 points, lead of 4 points.

With one of our worst quarters of football now behind us, we refocused on the challenge ahead. Now kicking with the breeze and doing the basics we were able to gain the lead before half time - 35 points to 18 points, leading by 17 points.

The breeze had increased after half time to provide a strong advantage for the team kicking with it. We needed to work hard to restrict Heathmont's scoring opportunities, by maintaining possession and chipping the ball around to slowly move up the oval. Out scoring them in the 3rd quarter by 2 points, we had the opportunity to take the game out of Heathmont's reach with the aid of the breeze in the last quarter.

The last quarter was our best for the day, kicking accurately 5 goals 1 behind to 1 goal 6 behinds. Full credit to Heathmont who just kept challenging all day and applying pressure, however our boys improve each quarter which allowed them to run out with a comfortable 38 point win.

With 1 game remaining in the home and away season, we need to start putting 4 good quarters of footy together so let's finish the season off strong before the finals.

Match Report:

A once great man said that "some days you are the hammer and some days you are the nail. Just make sure when you are the hammer then hammer hard!" In many ways we have the nail in the battle of the Gully derby. We fight against a 1's side and don't have the polish to win no matter how hard we try. Alas, this was the story again. Great efforts from Hallo, Morrison and Francis was not enough. The bravery of Jarvis was astounding in his 100th game as was the soon to be jetsetter Fahey.

The game was lost in small passages of the game but these lapses cost goals. The boys and girl tried their best, as usual, but the reality is we were beaten by a better team.

It now comes down to next week. Finals? Who knows but let's enjoy the ride 14D's!

Match Report:

Fairpark Reserve was in fair condition with a 3-4 goal wind blowing down the ground. In the warm up the boys appeared to be switched on.

In the first quarter, the endeavour was there, but we were second to the ball. Knox played a smart long game with the breeze and transitioned the ball well and quickly into their forward line. JT stressed the importance of being first to the ball and making a contest. In the second quarter, the boys applied themselves more and split the quarter with Knox. Hayden had a great half against his old team, busting tackles at will.

In the second half, the boys played as well as they have all year. Our decision making and creating options when we had the ball and our pressure on the opposition when we didn't was great to see. Knox skipped away towards the end of the term.

We didn't capitalise on our good play in the last term, but played some very good footy.

In all, our decision making out of the backline and importantly the next possession after that was a highlight. Without Brodie and Yaz, we probably halved the clearances. Luke Sproules was on fire in the 3rd quarter and would have taken at least 10 marks in the second half, several contested including a specky over a pack of four. James' work at full back was excellent, using his good judgement to repel Knox on many occasions. Nick Knoops, Nick Evans and Tyler provided good link up options.

There were some good signs that hold us in good stead for our 'Grand Final' next week.

Match Report:

1sq saw us kick 2.7 to m1.1 had all the play but not converting. 2nd q saw us kick away to a 7.12 to 1.2 lead game was all in ferntree gully control. Good to see backline with good control and forward line playing open forward. Second half saw us kick 5 goals to nothing in a scrappy second half. Last time we played south Belgrave we only won by 7 points but this time we demolished them. Next weeks game see us play for finals playing a team that is not at there best so there is an opportunity for us to make finals. Good luck
